## David Boyd – Adelaide Road Dublin

### Prayer and Praise for:

I had a real encouragement recently when somebody that I had lost touch with came to visit me. She had been a member of the Dolebusters' staff over ten years ago and had come to faith on an Alpha course that I ran in Dolebusters at that time. She had been a member of a Bible study group that I held in Dolebusters for about a year after that and then had moved back to Tullamore to be nearer to her family.

Anyway, she came to visit me and I was delighted to hear that her faith has continued to grow, and that she is presently helping with a group from various churches in Tullamore that are holding an Alpha course in a pub there.

- Give thanks to God for the way in which He has worked in her life and His faithfulness to her in bringing her to maturity in the faith.
- Pray too for the Alpha course there in Tullamore, that God might bless their efforts and that He might give her the joy of leading someone else to faith in Him.

## Donabate Church Plant – Revd Andy Carroll

### Prayer and Praise for:

- Please pray for us in Donabate as we take time over the summer to reflect on our first seven or eight months meeting together.
- Pray that God would give us guidance and wisdom in planning for a new season in September.
- We give thanks for three new people who have become Christians.
- Pray for our summer kids club. We're planning for a small team and looking for two or three more young people from other PCI churches to join us. Pray that the right people would be available to us.
